

2010 APPLICATION INFORMATION

Pettipaug Sailing Academy is pleased to announce our program offerings for the summer of 2010. Sailing classes are designed for boys and girls between the ages of 8 and 18, regardless of previous sailing experience. Instructors will stress basic sailing skills, seamanship, sportsmanship and the fun of sailing. More advanced students will learn the finer points of boat handling, racing tactics, and have the opportunity to participate in inter-club team racing.

Class Schedules

The Sailing Academy program runs for **seven (7) weeks from July 6th to August 20th**. Shortened courses of instruction of 3 1/2 weeks are available from **July 6th to July 27th** and from **July 29th to August 20th**. Classes are held Monday through Friday in two sessions: **Morning, 9:00-12:00 and Afternoon, 1:00-4:00**. Graduation will be held the evening of August 20th at 6:00pm. Students may request either the morning or afternoon session. However, students who are "beginners" as judged by the PSA staff will be assigned to a morning session to best serve their special needs. Other class assignments will be based on sailing experience and on a first registered/ first served basis.
