## PETTIPAUG JUNIOR SAILING ACADEMY BOAT POLICY

Notice: this boat policy applies to all Pettipaug Junior Sailing Academy (PJSA) students, regardless of whether the student is sailing in a privately owned boat or not.

All students will be responsible for adhering to these standards.

PJSA is a non-profit educational institution, which is self-insured for non-willful or non-negligent damage to boats while they are used in the program.

However, if the PJSA Sailing Director or PJSA Chair determines that willful or negligent damage to or loss of PJSA and/or Pettipaug Yacht Club property occurred, which reasonably could have been avoided, the skipper and/or his parents/guardians will be held responsible for the damage, which can include the costs for repair and/or replacement.
